

CONSTRUCTION NOTICE

OCTOBER 2015

Closure of E Olive and E Howell streets at 12th Ave

Crews working for the Seattle Department of Transportation (SDOT) began construction of safety improvements at the intersections of 12th Ave with E Olive and E Howell streets on September 30. Crews are expected to complete work in early November, although the work could be delayed due to weather conditions.

Starting as soon as October 15, crews will close E Olive and E Howell streets on both sides of 12th Ave as they rebuild the sidewalks at these intersections. Working on both intersections at the same time will help crews meet their schedule for completing the project. These roads will remain closed 24-hours a day for the duration of the project. Local access will be maintained at all times.

People walking will be detoured around the work area. Bike lanes on 12th Ave between E Olive and E Howell streets will be closed and people riding bikes will be directed to merge with vehicle traffic.

See map on back for traffic impacts.

WHAT TO EXPECT DURING CONSTRUCTION

- Parking and lane restrictions on 12th Ave between E Pine St and E Denny Way. A flagger will be present to maintain two-way traffic.
- Temporary closure of E Howell and E Olive streets at 12th Ave. Local access will be maintained at all times.
- Pedestrian detours around the work areas at the corners of 12th Ave and E Howell and E Olive streets.
- Temporary closure of USPS collection box at the corner of 12th Ave and E Howell St.
- Noise, dust, and vibration.
- Weekday work hours, 7 AM to 5 PM.

El equipo del Seattle Department of Transportation iniciaron obras para mejorar la seguridad de los peatones sobre 12th Ave, en las calles E Howell e E Olive, por el día 30 de septiembre. Se espera que este proyecto dure seis semanas, dependiendo del clima.

Las obras afectarán a las personas que conducen, caminan o andan en bicicleta por esta zona:

- Habrá una restricción temporal de estacionamiento y carriles de tránsito en 12th Ave, E Howell y E Olive.
- También, E Howell e E Olive estarán cerradas temporalmente a la altura de 12th Ave.
- Habrá desviaciones alrededor de las obras: ¡por favor haga caso a las señales de "Desviación"!

El proyecto tiene como fin añadir mejoras a la seguridad de los peatones en estas dos intersecciones, lo cual incluirá extensiones en la guarnición de las aceras que reducirán la distancia de los cruces peatonales y ayudarán a los conductores a ver a las personas que esperan para cruzar la calle.

Si tiene dudas o inquietudes, comuníquese con el equipo de obras a la dirección NSF@seattle.gov o llame al teléfono 206-733-9361.

Outreach during construction

We will post "No Parking" signs and notify property owners and residents of construction impacts. If you would like to receive updates via email, please sign up on the project website, below. If you have questions or concerns, please contact the construction outreach team at NSF@seattle.gov or 206-733-9361.
